# Thieves and fake policemen

## Don't let any stranger into your home!

Scammers know 1000 tips and tricks to get access to your home. Don't get fooled!

Point out the dangers to your parents and grandparents as well as to other relatives.

Once the thieves have been granted access in a way or another to your home, it is mostly already too late.

## Tips how to avoid this:

- Use the spyholes, the windows or the interphones before opening the door.
- Don't let any stranger in your housing.
- Only accept packages for your neighbours if this was agreed in advance.
- Let only workers/craftsmen in that you have called.
- Always ask for an identity document.
- Indicate that you refuse doorstep sales by appending the sticker „colportage“.

Every Police officer in Luxembourg speaks fluently Luxembourgish and is in a position to show a proof of its identity.

In case of doubt, compose the emergency number 113.

We are here for you, around the clock!
